This letter is to inform you and your office of our plans to develop and construct a solar facility in Mecklenburg, VA. The site name is Cow Solar, LLC and will be located at the intersection of Cow Rd. and US 58, Buffalo Junction, VA 24529. The system size will be 1.5 MW AC and the project will be constructed on the land of Gordon Brothers Farms, LLC. The fuel source for this project will be sunlight. This facility will comply with all other requirements of federal, state and local law.

Please direct any questions or inquiries to Allyson Hoffman.

Sincerely,

A handwritten signature in blue ink, appearing to read "Allyson R Hoffman".
